

WELCOME

Together we are changing the world, one plate at the time.

Tavči kuhna first came to life in 2019, when tattoo artists Sašo and Simona opened a vegan café alongside their tattoo studio. Soon, coffee and cakes weren't enough, so they turned Tavči Café into Tavči Kitchen.

In 2023, Sašo and Simona decided that they wanted to return to their first love – art and tattooing. They wanted someone to take over Tavči Kitchen and lead it forward as it has been so far – vegan, friendly, open to dogs, friendly to children ... and above all, a place where people can stop, take a breath and feel welcome.

Tavči Kitchen is still a vegan restaurant, the cakes are still made in-house, you can still get specialty coffee here. We make most things ourselves – from sauces, falafels, bean patties and gluten-free buns to daily lunches, stews, desserts, fruit pureés, and drinks. That's why we believe that our love for food is reflected on your plates.

We believe in connecting and collaborating, so we've teamed up with local kombucha brewers Ayatana, whose Deli you can find in our entrance area. There you'll find kombucha on tap, products from small Slovenian businesses and Ayatana's food products that you can't find anywhere else.

We have a vision of local connection, homemade food and good feeling. Our food benefits everyone – people, animals and the planet. When you eat with us, we use up to 90% less water, raw materials, CO₂ and land for your meal than we would with an omnivorous meal. Even if you don't realize it, every meal brings a change to the world.

Thank you for being our Tavči!

DOBRODOŠLI PRI NAS!

Skupaj spreminjamo svet, krožnik za krožnikom.

Tavči Kuhna je prvič zaživela leta 2019, ko sta tattoo umetnika Sašo in Simona poleg svojega tattoo studia odprla vrata veganske kavarne. Kavice in tortice kmalu niso bile dovolj, zato sta iz Tavči Café-ja ustvarila Tavči Kuhno.

Leta 2023 sta se odločila, da se želita vrniti k svoji prvi ljubezni – umetnosti in tetoviranju. Želela sta, da Tavči Kuhna živi naprej, taka, kakršna je bila do tedaj – veganska, prijazna, odprta tudi kužkom, prilagojena otrokom ... predvsem pa prostor, kjer se človek ustavi, napolni dušo in želodček in se počuti dobrodošlega in sprejetega.

Stara lokacija '23

Jeseni istega leta sta Tavči Kuhno prevzela Peter in Vita, ki sta rada zahajala tja in sta zato dobro poznala koncept. Odločila sta se, da bo zgodba Tavči Kuhne živela naprej. Spomladi leta 2024 sta Kuhno preselila z Bleda v večji prostor v Lesce, kjer trenutno sedi.

Ostajamo veganska restavracija z božanskimi okusi, domačimi sladicami in specialty kavo. Z ljubeznijo ustvarjamo marsikaj – od omak, falaflov, fižolovih polpetov in brezglutenskih bombetk do malic, enolončnic, sladic in pijač. Zato verjamemo, da se naša ljubezen do hrane okusi na vaših krožnikih.

Ker verjamemo v povezovanje in sodelovanje, smo se povezali z lokalnimi kombučarji Ayatana, ki so v naših prostorih odprli svoj Deli. V njem najdeš izdelke malih slovenskih podjetij in Ayatanine izdelke, ki jih ne dobiš nikjer drugje.

Pomebna nam je lokalna povezanost, domača hrana in dobro počutje. Naša hrana je dobra za vse. Pomaga ljudem, živalim in planetu. Ko ješ pri nas, za tvoj obrok porabimo do 90% manj vode, surovin, CO₂ in zemlje, kot bi se jih z vsejedskim obrokom. Četudi se tega ne zavedaš, vsak obrok spreminja svet.

Hvala, ker si naš Tavči!
